

## Light up a Life During the Illumination Celebration!

*Honor a loved one with this beautiful new holiday tradition during Garden in Lights!*

It has been said that life is a work of art created by those who live it. Who are the people that have encouraged and helped create you – a beautiful work of art? We invite you to celebrate those people that enrich your life by making a very special holiday donation. For each honoree you designate, a light will be lit in Garden In Lights in their honor. The honoree, or their family, will receive a personalized card from Annmarie Garden informing them of your donation. In addition, during our Friends Holiday Party (Dec. 17) all the names will be read during the Illumination Celebration and we will share a champagne toast in their honor. Everyone – honorees and donors - is invited to attend this special celebratory evening where we will revel in the gifts of art, food, and good friends. This is a wonderful way to “light up a life” and support the arts in southern Maryland.

Honorees: Minimum suggested donation per honoree is \$20.00. Please include a list of all your honorees as well as their contact information.

Honorees:
