ART Blooms

A GALA EVENT AT ANNMARIE GARDEN!

July 15-17, 2016 • Gala, July 15 from 7:00-10:00pm

Gala includes red carpet arrival and photo opportunity, sweet and savory tastings from a variety of Maryland caterers, cash bar, jazz vocalist Gretchen Ritchie, silent auction, beautiful art and floral exhibit

Art Blooms is a major fundraising opportunity for Annmarie Garden. The three day event, co-sponsored by the Calvert Garden Club kicks off with a Friday night Gala, featuring art, tastings from local caterers, silent auction, music and spirits; followed by a two-day public exhibit featuring floral arrangements inspired by works of art from the *Swarm: Invasion of the Insects* exhibit in Annmarie galleries. More than 30 floral designers from across the state will create arrangements. This unique pairing of art and nature provides a spectacular display for guests.

Proceeds from Art Blooms benefit the many community programs Annmarie Gardens offers:

- Our CHESPAX Program, designed specifically for second-graders, educates more than 1200 kids each year, teaching them about recycling, creative reuse, and composting.
- The Nature Nook where visitors enjoy interactive learning experiences on a variety of nature topics such as bluebirds, mushrooms, and sea creatures.
- Eco-Explorations, where our staff naturalist leads youngsters and their caregivers on a hands-on exploration of the natural world of Annmarie Garden.
- Our free-to-all Full STEAM Ahead program for pre-schoolers and their families that injects creativity and fun into STEM—encouraging children to explore science, technology, engineering, art, & math —STEAM!
- The visitor-favorite artLAB, our creative re-use center; a space where all ages create fun and funky projects from “litter” bugs to fairy houses.

These programs represent a small part of what Annmarie Garden brings to the community. **Your support is very important for the success of this event and all that Annmarie Garden has to offer.**
