### SAND, SOIL, MUD & MORE

**NOV. 11, 9:00AM – 3:00PM**

Get ready to get your hands dirty and we explore the earth right under our feet. Let's make masterpieces in clay and sand, then study the soil outside to see which kind plants like best. We'll even squirm with the Annmarie worms as we learn how to make magical compost. Dress for a mess, pack a lunch, and get ready for a full day of fun!

### TOTALLY TERRIFIC TREES

**JAN. 18, 9:00AM – 3:00PM**

Branch out with us as we learn all about trees and identify them in the winter landscape! Let's examine trees in famous masterpieces and create our own artsy forest! Pack a lunch, dress for a mess (and a short time outdoors!), and join us for this terrific tree exploration!

### FABULOUSLY FROZEN ART

**FEB. 15, 9:00AM – 3:00PM**

Chill with us this winter day as we explore the properties of water and famous icy artwork! Let's experiment with ice, mix up some snow, and hunt for frozen treasures in the park. We'll stay warm and toasty as we explore the wonders of water in its solid state! Pack a lunch, dress for a mess (and a short walk outdoors!) and join us for some frosty fun!

## Full S.T.E.A.M. Ahead – No registration necessary—Just drop in!

For children ages 3-5 and their families!
