### A SMITHSONIAN AFFILIATE

A special tour experience is what you'll find at Annmarie Garden. With our beautiful sculpture garden, art galleries, eclectic gift shop, and studio school, there is plenty to do - both inside and outside. Optional food and beverage add-ons make Annmarie the perfect stop for your group. Choose from one of our packages, or ask us to create a special tour experience just for you. Whether your group is looking for a 2 hour visit or a 45 minute opportunity to stretch your legs and shop, Annmarie can accommodate your needs.

At the center of Annmarie is the award-winning Arts Building where guests will find friendly docents, beautiful exhibits, the gift shop, the artLAB, and lovely views of the butterfly garden and surrounding sculpture. Our Gift Shop is filled with a wonderful mix of jewelry, home décor, cards, books, garden art, wine accessories, and toys. For guests who enjoy walking, there is a ¼ mile shady (and handicap accessible) walking path. Just off the Hungerford Patio, the path features more than 40 works of art from the Smithsonian and the National Gallery of Art and other hidden bits of art and whimsy.
