

ANNMARIE GIVING OPTIONS

We invite you to choose the giving option that best fits your interests

SUPPORT YOUR FAVORITE PROGRAM!

Please check the area you would like to support & indicate the amount of your support

Annmarie Scholarship Fund – donate to this program and your support will open up our classes, workshops, field trips, camps, events, and other activities to low income residents in our community.

Children's Discovery Garden & Nature Trail – plans are underway to create a nature trail that leads young visitors on an educational walk through the woods. The Nature Trail will lead kids to the east end of the property where they will find the Discovery Garden situated along St. John's Creek. The Discovery Garden will include a wildlife observation station, native plants, and natural play elements. Parents will love seeing their kids engage with and learn about nature through first-hand observations and hands-on lessons.

Ceramic Studio Expansion – did you know our ceramics classes are some of the most popular classes at Annmarie? Thanks to our wonderful ceramics faculty – Sarah Houde, Ray Bogle, Parran Collery, Tammy Vitale, Amy Meunier – we need more room! Donate to this fund and your support will help us expand the studio and purchase a second kiln and four potter's wheels.

Expand the Butterfly Garden – our wonderful caretaker, Caleb Clark, has been working over the past two years to create a Butterfly Garden. With help from the Master Gardeners, he has created a lovely area adjacent to the Arts Building. Donate to this fund and your support will allow Caleb to continue his expansion!

Memorial Planting Fund – is there someone special you would like to honor? Consider contributing to the Memorial Planting Fund. The memory of your loved one will live on in the native plants and trees of the sculpture garden.

General donation – please put my donation where most needed!

Suggested giving levels: \$1,000 \$500 \$250 \$100 \$50 \$other
