About Your Annmarié Birthday Party Package! Policies & Procedures

Please keep this information for your records—Remember, your party is not officially reserved until we confirm the receipt of the **Party Rental Form**, the signed **Rental Agreement**, and **full payment** made payable to Annmarié Garden.

CHECK-IN—The party organizer will need to check in at the reception desk of the Arts Building upon arrival. This is the large gray and red building you see when you enter the Garden. The receptionist will unlock the appropriate party space for you.

LOCATIONS—There are two party locations from which you may choose. Please refer to your confirmation to see where your party is scheduled.

The Studio School Classroom is located in the Studio School building. This is the smaller building located ACROSS the parking lot from the large gray and red Arts Building. Upon entering the Garden, just drive around the circular parking lot until you see the white STUDIO SCHOOL sign. Park by the sign and follow the sidewalk to the first door. Studio School parties give you the creative flexibility to plan and decorate to your liking, but the mess stays with us!

The artLAB & Patio are located at the Arts Building—the large gray and red building. It is the first thing you see when you enter the Garden. ArtLAB parties are quick and easy. They are meant to be low-fuss, less stress options for busy parents! All artLAB parties are lightly guided by AMG staff.

The Clay Studio is located in our parking field. Staff will escort you to the space at the time of check-in. The picnic areas are primarily located at the back of the Murray Arts Building, and at the Fairy Lolly playground.

RESTROOMS—For Studio School parties, guests are encouraged to use the public restrooms located just outside at the end of the Studio School building. For artLAB parties, guests may use the restrooms in the Arts Building. For Clay studio parties, guests will need to use the facilities at the Studio School building—right next door!

ART ACTIVITIES—

For STUDIO SCHOOL PARTIES: Please note the art activity is not lead by a staff member. AMG provides the supplies, examples, and simple instructions for the kids to follow. The more adult supervision you provide, the happier you will be with the finished product! Activity leaders are available for an additional fee. Activity leaders will help kids with the project step-by-step for 45 minutes-1hour, depending on the project.

For artLAB PARTIES: All artLAB parties include an activity leader. Activity leader will lightly guide kids through art project for 45 minutes- 1 hour. The remaining time can be used for cupcakes and presents. You are welcome to stay and play in the Fairy Lolly beyond your party time!

FOR PLAY IN CLAY PARTIES: All clay parties include an activity leader. Activity leader will actively lead the kids through handbuilding with clay and applying glazes. This will take 2 hours. The remaining hour may be used for cake and presents in the picnic area.

FREE ADMISSION—**Studio School parties** allow free admission for 15 kids and 10 adults. **ArtLAB parties** allow free admission for 12 kids and 4 adults. **Play in Clay parties** allow free admission for 10 kids, 2 adults. **Studio School Facility Rentals** do not include site admission for guests. Upon checking in before your party, the receptionist will give you the appropriate number of admission stickers for your guests. Additional guests will be required to pay the modest admission fees at Annmarié Garden, unless you purchase additional admission stickers at the time of check-in.
