Align Your Business with Sustainability!

Join us for a day of presenting ecofriendly options at this year’s “Green Life Festival & Market”. Showcasing green products and service exhibits, guests will learn how to reduce their ecological footprint and choose healthier options for themselves, the community and the planet.

This popular sponsorship opportunity offers the opportunity to align your company with environmental consciousness and green practices - an ever-increasing priority for many customers.

Sponsorship offers online and in-person marketing engagement plus tickets to share with your clients or employees, making “Green Fest” an excellent opportunity to have a high level exposure to a targeted local audience.
