Welcome to a summer where art and nature meet!

Looking for a creative and active summer camp experience for your child? Unleash their imagination and energy in our beautiful galleries and exhibits, classrooms, studios, woods, community garden, and sculpture garden! Annmarie offers an exciting selection of week-long day camps for ages 5 to 12 taught by professional educators and working artists. Our camps will encourage your child to explore their creativity, discover the natural world, meet new friends, and serve their community. Summers at Annmarie are active, fun, and stimulating – join us this summer as our campers create, discover, and grow!

Our Philosophy

We believe kids thrive when they are exposed to a variety of creative experiences and people. Each of our camps offers an opportunity for your child to work with our talented faculty as they explore and develop their own artistic expression and techniques. Camps also include time with the Calvert County Master Gardeners in the Community Garden where they help grow fresh produce for the local food bank. Campers explore the natural world of the park as they enjoy games, the artLAB, the clay studio, the gem mining sluice, and other activities. Finally, every camper will tour the exhibits, both inside and outside, and participate in a summer community art project. We believe this integration of arts education, outdoor play, community service, and environmental education provides kids with a multi-faceted and stimulating camp experience. We work hard to create a welcoming environment where each child will be encouraged to experiment, collaborate, explore, and gain the confidence and skills to creatively express themselves!

NEW! COVID Precautions

Our camps will follow the most up-to-date guidance from the Health Department and the CDC. Additionally, we've converted our camps into mostly outdoor classrooms to keep everyone as safe as possible. We will take several cool-down breaks inside to combat the heat. We will resort to indoor classrooms in inclement weather. Additional details will be provided prior to camp. Questions? Email programs@annmariegarden.org.

Camp Faculty & Staff

Camp Management Team –Annmarie summer camps are managed by the AMG program staff. They work hard to create a fun, upbeat, and wildly creative experience for your child. They are CPR and First Aid certified, fingerprinted, and have passed a thorough background check.

Additional Faculty - every Annmarie camp is taught by an AMG program staffer or professional educator and/or working artist from the surrounding community. Many are teachers from the local school systems. All educators are fingerprinted and pass a background check prior to being hired.

Camp Counselors—our Camp Educators are assisted by two college interns who hold, or are working toward, a bachelor's degree from an accredited university. The interns are selected for their skill and experience working with young people, and for their passion for the arts, education, and/or environmental sciences. They are both CPR and First Aid certified, fingerprinted, and have passed a thorough background check.

CITs- our Counselors-In-Training (CITs) are high school students who are active volunteers in their community. They assist the Camp Educators in the classroom, and assist the Camp Counselors during morning, lunchtime, and dismissal activities.

Camp Certification Information

AMG Camps are inspected and certified by the Maryland Dept. of Health & Mental Hygiene. The purpose of youth camp certification is to protect the health and safety of children attending camps. Maryland regulations establish minimum standards ensuring that camp operators conduct criminal history record checks for employees, provide health supervision, implement health and safety procedures at camp, report injuries, illnesses or abuse, maintain the camp facility, and conduct activities safely. To learn more about the state certification program, visit <http://phpa.dhmh.maryland.gov/OEHFP/CHS/SitePages/youth-camp-certifications.aspx>

Class Size

Full day camps do not exceed a classroom size of 15. Full day camps are staffed by two educators, a camp counselor, and up to four high school CITs throughout the day.

Camp Hours

- **Full-Day Camps** run from 9:30 am - 3:00 pm.
- **Arrival / Dismissal times** - please refer to the schedule below; please see below for late fee info.

CAMP	Arrival	Camp Hours	Dismissal
Full Day camps (grades 1-6)	9:00-9:30am	9:30-3:00pm	3:00-3:30pm

Arrival/Departure Procedures

All parents/guardians must sign their campers IN and OUT each day. Your camper will only be released to the person(s) listed on the emergency form. This person may be requested to show proper identification, so please remember to bring your ID with you. Drop-off and pick-up occurs at the Studio School building each day. **Any camper remaining at camp after the pickup deadline will be charged a late fee of \$25/week.**

Late Arrivals/ Early Dismissals

AMG is a 30 acre park, and Summer Camps take full advantage of resources of the park. For this reason, we ask that parents drop-off and pick-up their child during scheduled times (see above chart for times). Should you arrive at the Studio School and there is no staff person at the Check in/ Sign out station, please walk to the administrative office located in the Murray Arts Building, and a staff member will help locate your child's camp.

Camp Dress Code & Daily Needs

Dress for a mess! Dress respectfully. The best camp attire often consists of old t-shirts, athletic shorts, old sneakers, and a hat. Refer to this chart for information on what to wear/bring each day. All necessary items should be clearly labeled with the camper's name.

Special Cool- Down Treats! Please Note:

Water games— On very hot days, we will cool off with a variety of fun water games! These games will include light splashing, but will not drench your child. **Please pack a towel for light drying needs!** Children without towels will still be permitted to lightly splash in the games unless parent sends note indicating otherwise. There are always a few kids that don't want to get wet or don't want to play water games; we will happily accommodate both!

Lunchtime Popsicles! -- AMG will offer popsicles to campers at lunch time on very hot days. **If your child has an allergy or sensitivity to fruits, dyes, or any other popsicle ingredient, please send along a frozen treat for your camper to enjoy. Place it in a large ziploc bag, clearly labeled with the child's name and camp.** To see the ingredient list of our popsicles, email registrar@annmariegarden.org.
