Our Mission and Values

As part of your orientation, we'd like to explain our values and share a bit of information about the Annmarie Community, and what we expect from the staff and volunteers. If you share our values, we hope you will join our volunteer program.

OUR MISSION – Annmarie is committed to connecting people to art and nature. Through a wide variety of engaging exhibits, programs, classes, public projects, and annual events, Annmarie opens up opportunities for creativity, collaboration, and reflection. By providing opportunities for visitors to experience and engage in imaginative activities, Annmarie seeks to nurture the human spirit and contribute to a healthy society.

VOLUNTEER POWER – As a non-profit organization, we rely on volunteer power to make this whole operation work! You are a critical part of everything we do. From helping with kid's activities to pouring beer at Artsfest, we rely on hundreds of volunteers working thousands of hours to present our many programs and events. Thank you for joining us!

CREATING A WELCOMING ATMOSPHERE – Any volunteer working with Annmarie is expected to treat all visitors, vendors, fellow volunteers, and staff with the utmost respect and consideration. We strive to create a warm and welcoming atmosphere for all visitors, regardless of age, race, religion, ability, sexual orientation, gender, etc. We welcome guests from all walks of life, so we want Annmarie to be a place of joy and acceptance.

ANTI-DISCRIMINATION STATEMENT and ANTI HARASSMENT STATEMENT – The Annmarie Community does not discriminate on the basis of race, color, religion, sex, age, national origin, marital status, sexual orientation, gender identity, or physical or mental disability. The Annmarie Community does not tolerate any form of harassment including, but not limited to, sexual, racial, or disability. Any individual, staff or volunteer, who believes that he or she has been subjected to any form of harassment is encouraged to report the harassment to the Director of Annmarie Garden at director@annmariegarden.org or 410-326-4640.

SUSTAINABILITY – Annmarie is proud to have a certified Bay-Wise landscape. Preserving and accentuating the local flora and fauna is important to our mission. We ask everyone to participate with simple things like using a refillable water bottle, being mindful of what you wash down the drain, reduce, reuse, recycle, and encouraging others to do the same.
